Samstag in Vilbel

A Saturday just for children!

Parents' letter I

A new school year, new opportunities for fun!

Dear parents and guardians

We are delighted to welcome your children back to ES Childminding for the **2026/27** school year. Together, we are looking forward to a new school year full of movement, creativity, discovery and shared experiences!

Sports, Creativity & Adventure – Our Afternoon Activities Are Online!

Once again, your children can look forward to a varied programme of afternoon activities in the new school year. Alongside popular favourites such as **Tennis, Ballet, Chess, Pottery and Creative Workshop**, we are also offering many new and special activities.

These include **Yummy Fingers, Rugby, Skateboarding, Padel, Little Scientists, Tech Club: Robo Builders**, and many more exciting options. This gives children the opportunity to discover new interests, develop their talents and, above all, have lots of fun together.

You can find all activities here:

<https://shop.es-childminding.eu/afternoon-activities-c-9/>

Childminding – Daily Until 6:00 p.m.

Our flexible afternoon childcare service will also be available throughout the 2026/27 school year, from the end of the school day until 6:00 p.m.

Please remember to book the Childminding hours you need in good time via our Scheduler. This helps us plan the afternoon reliably and provide the best possible care for your child.

Book Childminding here: [Childminding hours](#)

We have also created a short video to guide you through the booking platform: [How-To](#)

The video walks you through the booking process and shows you how to select the childcare hours you need.

New from September: School Bus to ESRM

A special new addition for the 2026/27 school year is our school bus pilot project. Together with the Freunde und Förderer der Europäischen Schule RheinMain e. V., we will initially offer two express routes:

Frankfurt Express Route:

Bockenheimer Warte – Hügelstraße – ESRM

Taunus Express Route:

Oberursel Bahnhof – Bad Homburg Bahnhof – Riedberg – ESRM

The buses will bring the children reliably to school in the morning and return them to the agreed stops in the afternoon. Additional routes may be considered during the school year and introduced where there is sufficient demand.

You can find all information about routes, schedules and booking here:

<https://es-childminding.eu/schulbus/>

Important – Please Update Your Details

Please update your child's class information in the Scheduler and check that your contact details are correct, especially your telephone number, so that we can always reach you in case of an emergency.

We are looking forward to another exciting school year full of fun, learning and shared adventures!

Sunny regards,

Your Childminding Team
