## New school year, new opportunities for fun!

Dear Parents and Guardians,

We are very happy to welcome your children to the 2025–2026 school year.

**Sports, Creativity & Adventure – our after-school clubs are online!**

The afternoon activities are now online – from creative workshops to exciting outdoor adventures, there is something for every child!

**Childminding – daily until 6:00 pm**

We would like to remind all new families to book their hour packages in good time.

This way, your child is lovingly cared for on any desired school day – flexible and individually – from the end of classes until 6:00 pm, or can take part in our exciting events.

For using the booking platform, we have created a video for you: [How-To](#)

Here we guide you through the booking process and show you how to reserve your desired times.

**Important – Update your data:**

Please update your child's class information in the [scheduler](#) and check your contact details – especially your phone number – so that we can always reach you in case of emergency.

We look forward to another exciting school year full of fun, learning, and shared adventures!

With sunny greetings,

Your ES Childminding Team
