# Parents Letter V

## Great start to the new year!

Dear Parents and Guardians,

We hope that you have all had a good start to the new year and are looking forward to the coming months with as much anticipation as we are.

In our first newsletter of the year, we start with exciting events and a fantastic programme for the Easter holidays.

### ESCM Whatsapp channel

At the end of last year, we opened a WhatsApp channel that provides you with regular news, all information at a glance and impressions from Childminding. Don't miss anything and join the channel [here](#).

You can also find all newsletters on our [website in the archive](#).

### Valentine's Day

To be perfectly prepared for the day of love, we will be creating the tastiest little hearts in town in our bakery on 8 February. We will also be making pretty gift boxes with the little ones to give the biscuits a fitting presentation.

Further information and the possibility to register can be found [here](#).

### Carnival

Just in time for the start of carnival, we transform the Childminding into a small carnival party and let it rip with the kids. We make individual masks, use our faces as a canvas for the most colourful carnival motifs and conjure up delicious pastries in the teaching kitchen.

For more information and to register, click [here](#).

### Batik

This year we're going colourful again. This year's batik event will of course be led by the best co-director in the world. Mrs Lotz is

already looking forward to introducing the children to the history of batik and telling them about her experiences in Indonesia.

Further information and registration can be found [here](#).

### **Easter event**

To ring in the Easter season, we will be colouring beautiful Easter eggs, baking Easter bunnies and much more.

Maybe the Easter bunny will drop by during all the work around Easter. 🐰

Further information and the possibility to register can be found [here](#).
