

NEW FROM SEPTEMBER 2, 2026

School Bus to ESRM.

All the key information for
a smooth start,
clearly summarised.

Dear Parents,

On Wednesday, September 2, 2026, our new school bus service to ESRM will begin. To make the start as straightforward as possible for children and families, we have summarised the most important information about departure times, handovers and procedures.

Afternoon handover

If your child is registered for an afternoon activity or Childminding, our staff will make sure they are brought to the school bus on time.

Support during the initial phase

During the first journeys, ES Childminding staff will also travel on the bus. This will help ensure that procedures and handovers run smoothly from the very beginning.
